

Delivering Excellence Every Day™

2004-05

**Landscape Program
Instructions for Affixing Vehicle Decals**

Permit # _____

The decals for your 2004-05 Landscape Program vehicles are attached for your permitted vehicles. Please take a moment to carefully review the information below. The decals for your 2004-05 Landscape Program vehicles are attached for your permitted vehicles. Please take a moment to carefully review the information below.

Trash & Recycling Center Vehicles (Grey Decals)

	Vehicle Tag #	Year/Make	Model	Vehicle Class	Decal Number

Landfill/Resources Recovery Vehicles (Red Decals)

	Vehicle Tag #	Year/Make	Model	Vehicle Class	Decal Number

All decals must be applied to the assigned vehicles as indicated. Decal must be affixed permanently to the passenger side windshield. Trailer decals must be affixed permanently in the exact location where the current decal is located. **Vehicles that do not have the decal permanently affixed on the correct vehicle will not be allowed access to the facilities.** Moving decals from one vehicle to another is prohibited. Failure to comply will result in fines and/or revocation of your permit.
